## **News Release**

For Immediate Release

**Horsburgh & Scott Hires Experienced Technical Sales Manager for Oil and Gas Market.**  
Joseph R. Romano brings over twenty years of industry and gearing expertise to the position.

**Cleveland, OH: October 27, 2014** – Horsburgh & Scott has announced that Joseph R. Romano will join the company as its new Technical Sales Manager focused on the Oil and Gas market, selling all gearing products and services.

Romano brings 22 years of experience with Oil and Gas organizations, most recently as a Sales Manager at Universal Well Services and FMC Technologies where he spent much of his time in the field, product troubleshooting and building new territories. He also helped develop design specifications and negotiate contracts as a Sales Engineer at Elliot and managed the P&L as Business Unit Manager at DeNora. Previously he was a successful Territory Manager at KCH Services and a Site Supervisor at Mannesmann Demag Corporation. Romano attended the University of Pittsburgh where he earned his Bachelor of Science Degree in Chemical Engineering.

### **About Horsburgh & Scott**

Horsburgh & Scott is a worldwide leader in engineering, manufacturing and maintaining gears and gearboxes. The company offers custom mid and large size gearing and preventive maintenance solutions for mining, metals processing, sugar processing, oil and gas drilling, and a wide variety of other industries. It has been in business for nearly 130 years and has manufacturing operations in the US and sales and service worldwide. For additional information about Horsburgh & Scott:
